It is my hope that as you spend many happy hours with this edition of the **Piper** you will take time to rejoice that you live in a nation where free public education is possible. I hope that you will realize that in very few nations of the world are scenes such as those depicted in this book possible.

In our nation the goal underlying our educational system is to provide an equal chance for all; to educate each to rise to his or her highest potential and take a responsible position in society. It is my hope that each individual will take from this school a knowledge and appreciation of the dedication and sacrifice that has gone into the protection and continuation of our free educational system and our nation.

There are now many detractors from our system and those who would destroy the works of many generations. I believe, as Lincoln said in his Cooper Union speech on February 27, 1860, "If destruction be our lot, we ourselves must be the author and the finisher. As a Nation of Free Men, we must live through all times, or die by suicide." We are looking to you, the students pictured in this yearbook, to prevent this from happening.

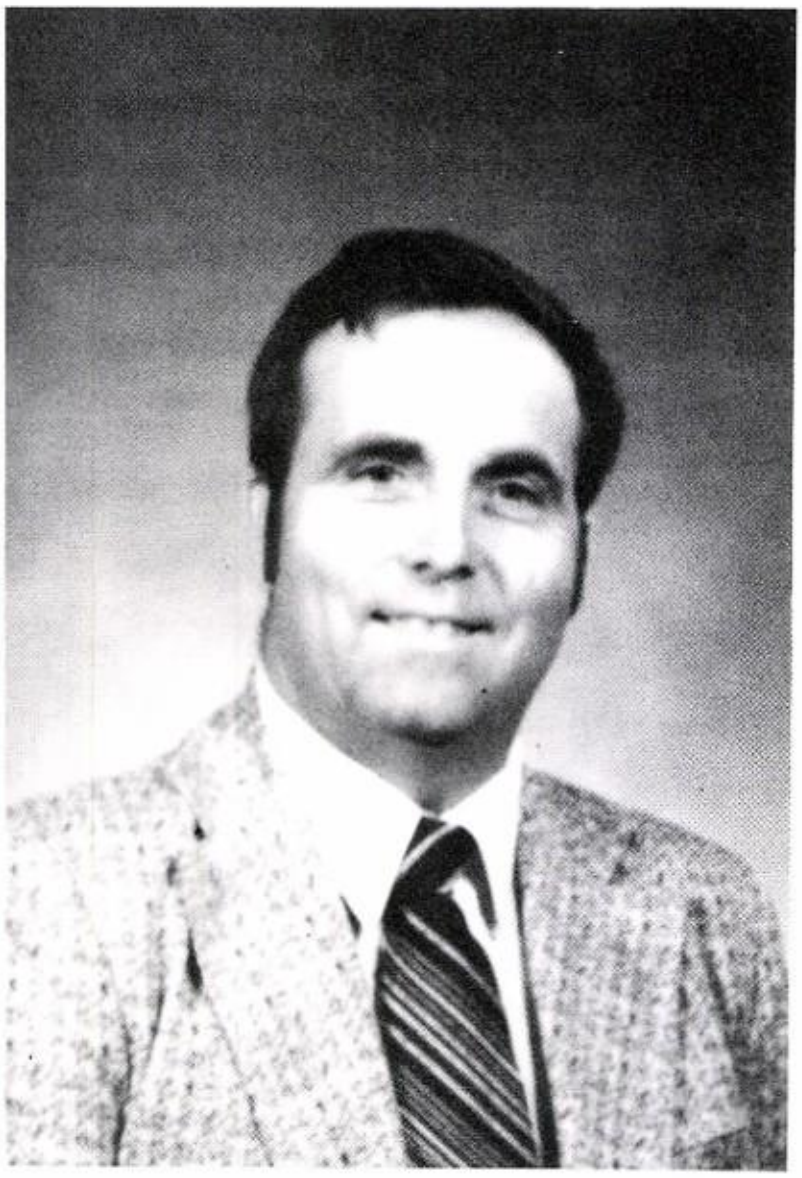
Make the School Year Successful



Time waits for no one, not even you or me. Use your time wisely in school. Learn what you can, all that you can, so that your mind is a storehouse of knowledge. Enjoy these days in school, days that are spent with friends and family. These days can never be repeated, so make the best of them. As people get older (we all do) they look back on their formative years. It doesn't matter if they were good or bad; what does matter is that each person made his own destiny. People say, "If I could go back with the knowledge I have now, I would be better." Don't go through life with that attitude or say "I wish I had tried harder." Try now! Work now! Do it this time!

For some, the learning game is about over, as is the game of growing up. It is now time for you to be grown up and step into the work-a-day world. The learning process never ceases. You must learn ever day to survive the pressures of today's world. School is only the foundation.

Mr. Richard Evans

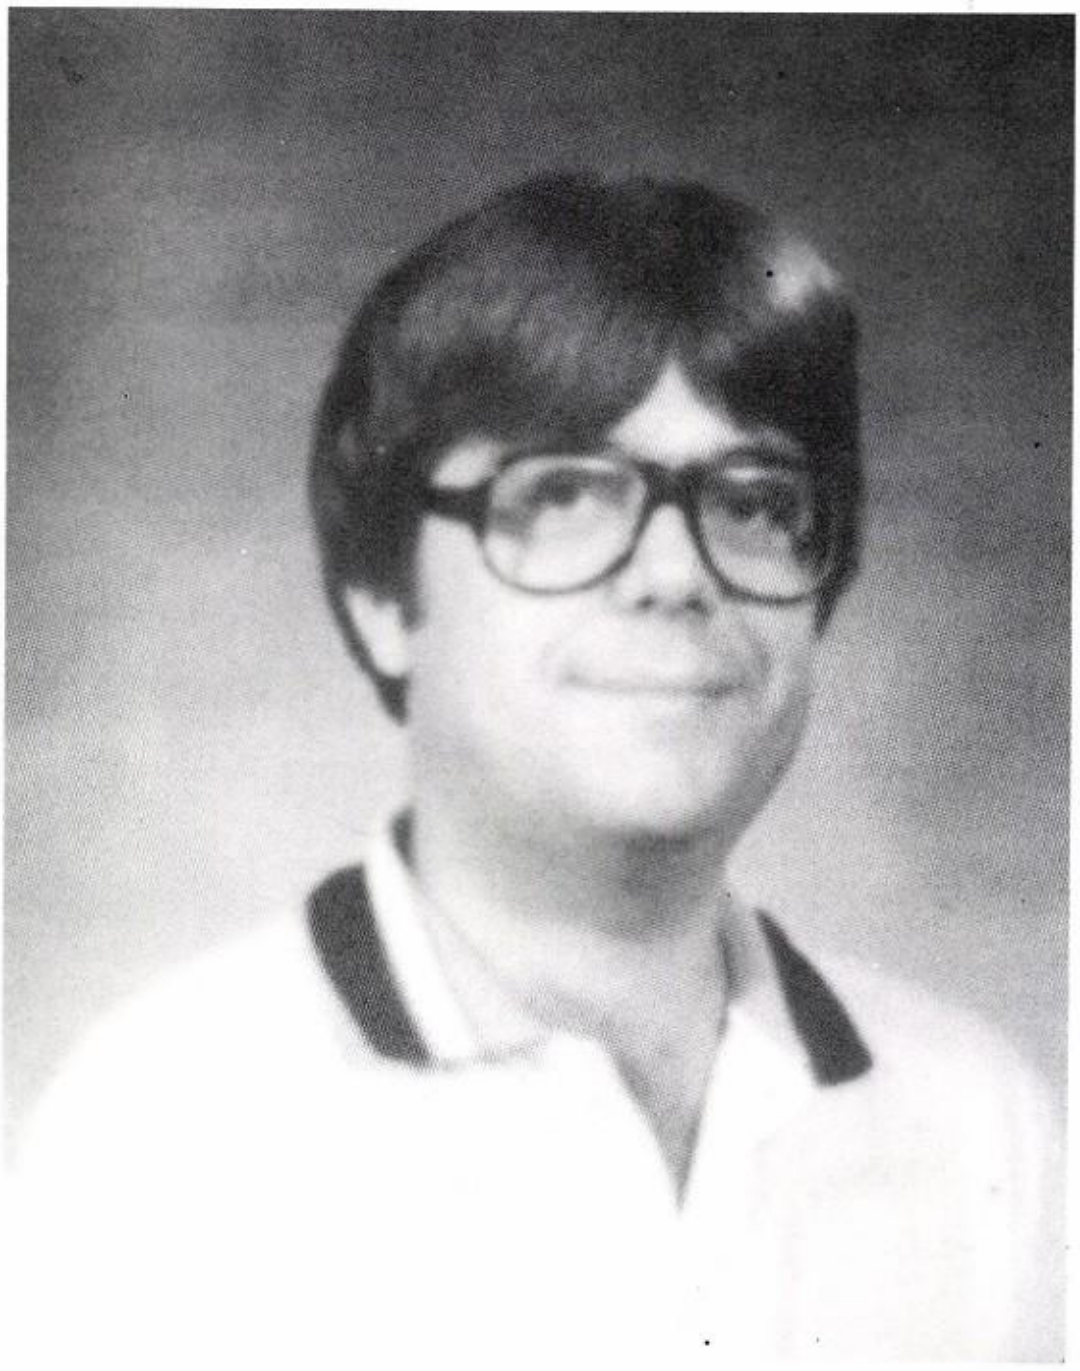
Star of the HHS Faculty!



The students feature Mr. Richard Evans by electing him our 1981 Teacher-of-the-Year. Mr. Evans was a new attraction becoming a big hit here after teaching for only one year. Mr. Evans teaches band in the fifth through twelfth grades as well as directing the Piper Marching Green, the high school stage band, and the two annual concerts. He and his wife, Leigh, are active members of the First Baptist church. They have a daughter, Erin, who is two years old. Not only has he been successful in his school and church work, but Mr. Evans has become a hit in the community. Even though he gets angry with the band at times (he usually has a good reason), the students admire and respect Mr. Evans. Yes, he has made a great contribution to our school and community; we hope he continues to do so for years to come. Hamlin High is proud to present Mr. Richard Evans as Teacher-of-the-Year. Congratulations Dickie!

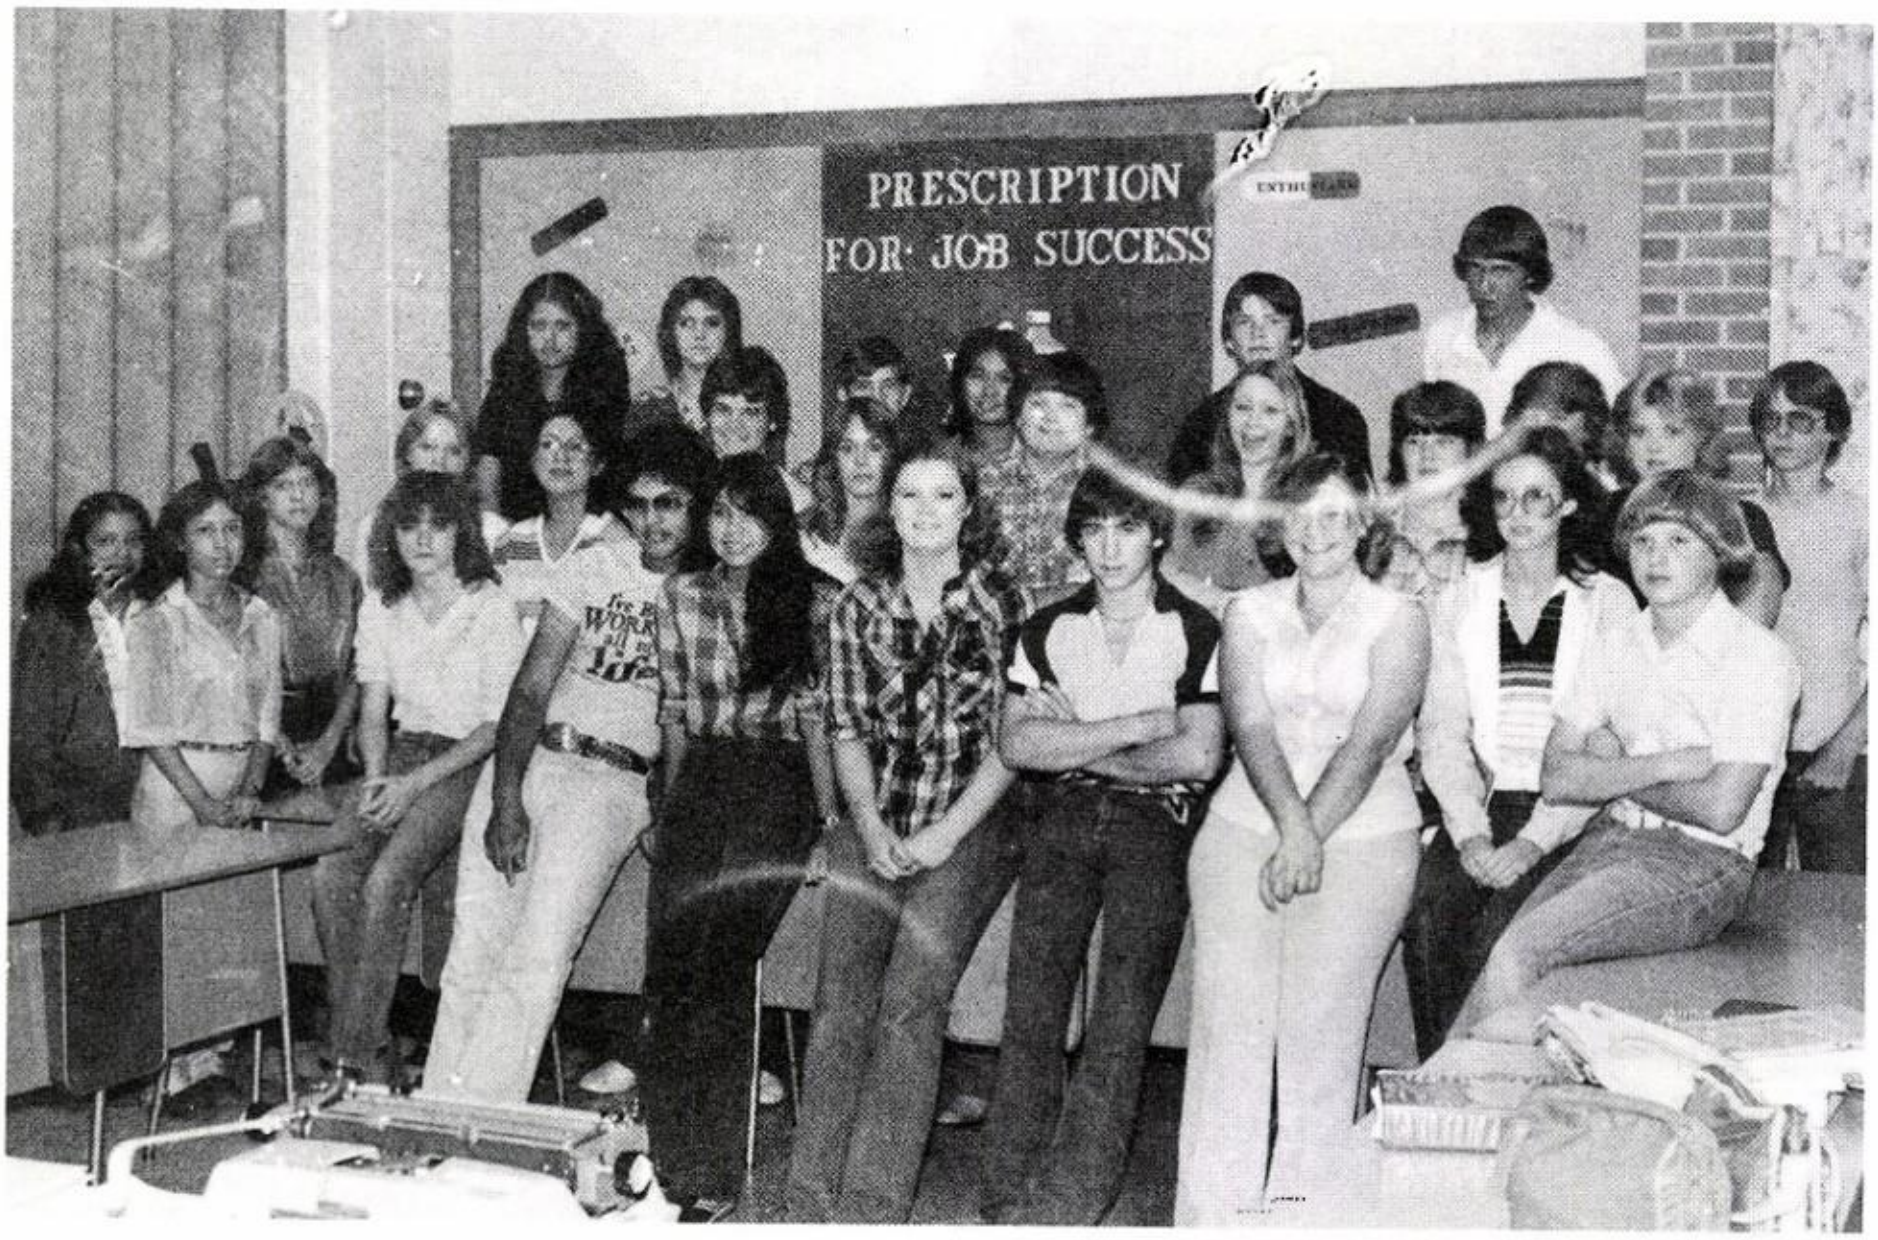
DECA LEARNS

History has proven that whenever a nation's channels of distribution fail to function, that nation is shortlived. As DECA attracts more of our nation's youth to study marketing and distribution, the total D.E. program becomes a vital necessity to our national economy.

The emblem is diamond shaped with the words "Distributive Education Clubs of America" surrounding a wrapped package. The four diamond points symbolize:

- Vocational Understanding
- Civic Consciousness
- Social Intelligence
- Leadership Development

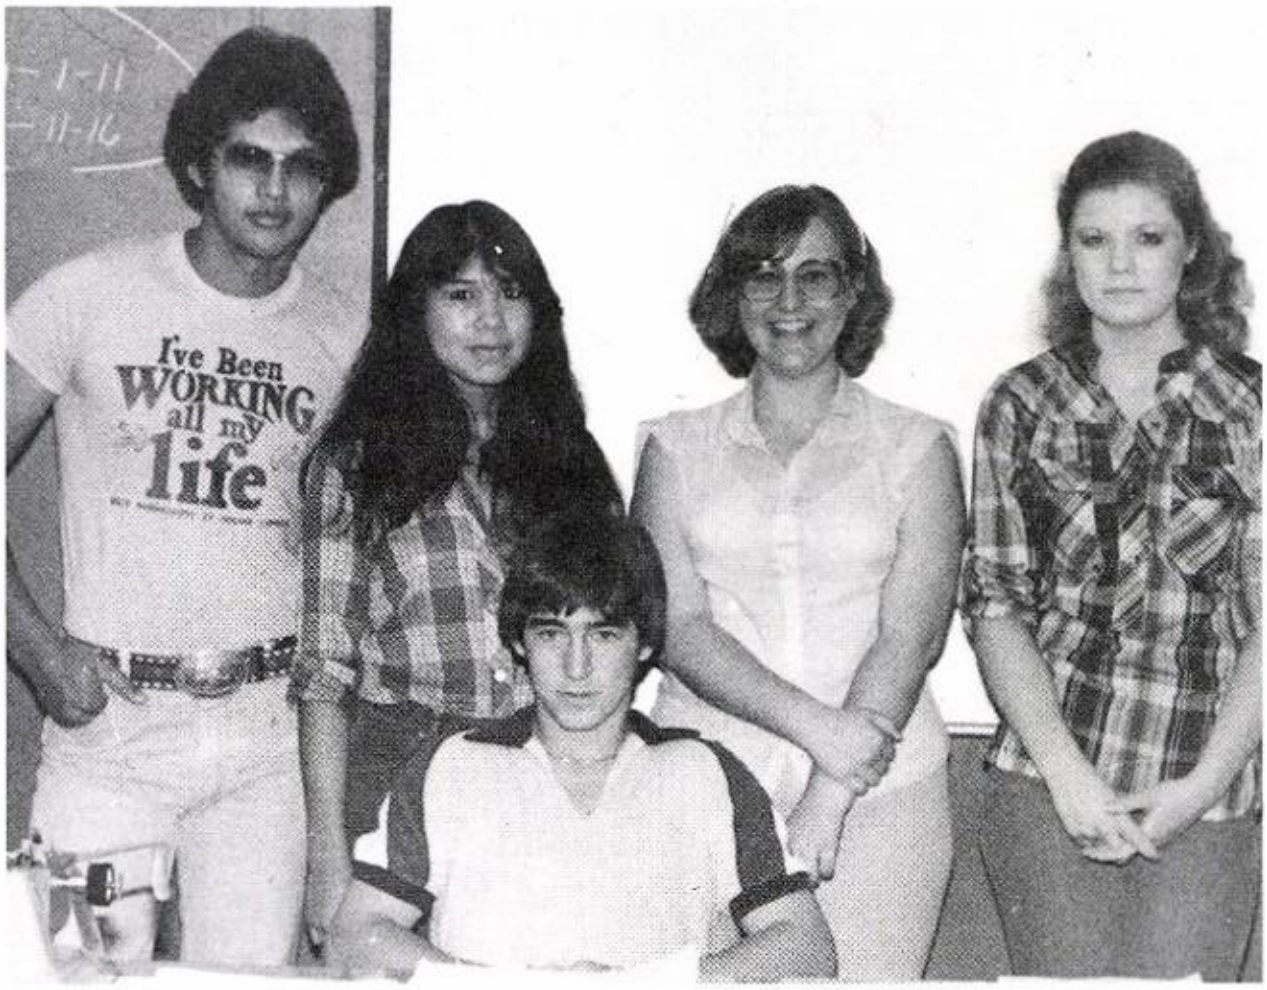
The wrapped package symbolizes a job well done, achieved by cooperation of school officials, students, parents and businessmen working together.



DECA members are: Steve Austin, Kay Bailey, Leticia Barrera, Larry Beach, Mary Chavez, Isabel Contreras, Judy Crouch, Cindy Dubert, Cindy Foster, Delores Gracia, Geneva Gracia, Micheal Green, Ricky Guerra, Jim Hall, Darrell Hart, Jana Maddox, Billie Martin, Tammy Miller, Barbee Pool, Carmen Rangel, Catalina Reyes, Cheryl Scifres, Tim Seymour, Rhonda Shuler, Jim Simmons, Mindy Smith, Connie Spalding, Charles Speck, Carl Wade, Lesa Wilson, Tony Wright.

FROM EXPERIENCE

DECA members elected Darrelll Hart as president for the 1980-81 school year, Ricky Guerra as vice president, and Mindy Smith as secretary. The club treasurer was Rhonda Shuler, and the office of reporter was held by Leticia Barrera. The group was led by Mr. Taylor, advisor and sponsor.



D.E.C.A. SWEETHEART

Our club was fortunate this year to have chosen a sweetheart who is admired by all those who know her for her friendly personality, for keeping a good attitude toward school and work, for her deep concern for others, and most importantly for her strong faith in God.

IN MEMORY OF VALTON TODD REYNOLDS

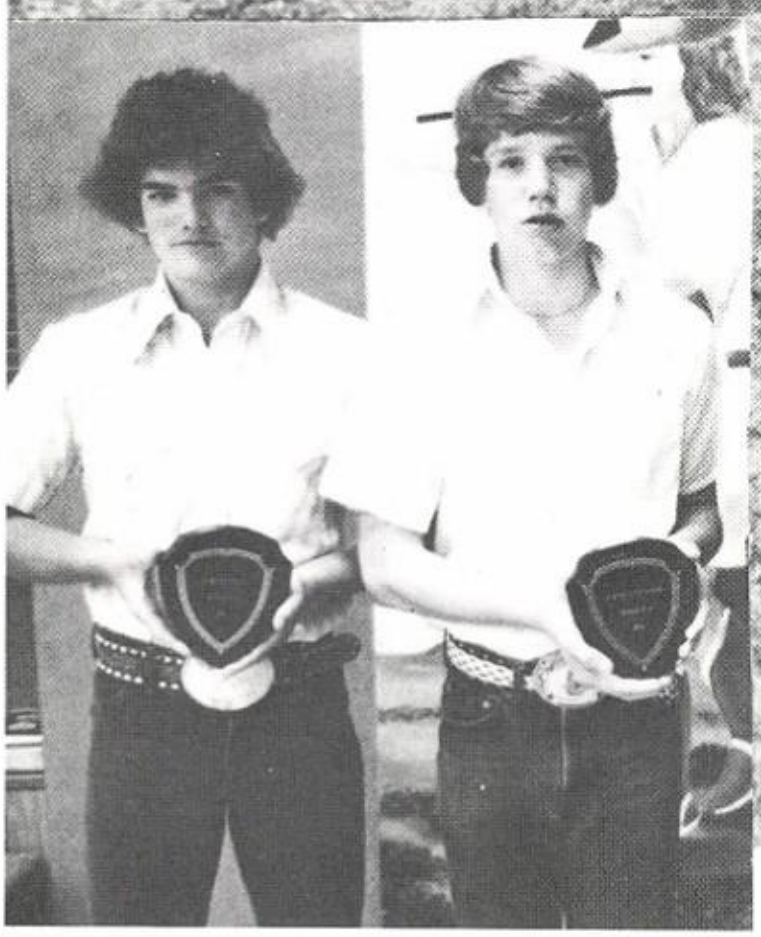
July 12, 1965—May 14, 1981

A petal fell from the yellow rose,
And a tear from his mother's eye
As that little angel—not yet sixteen
Was called to his home in the sky.

A sadder day could not have been
For those who knew him well
Tho they know He had a reason
When He took him there to dwell.

His Cherubs sing and ride the stars,
And make His heavens bright.
So don't feel sad—we know he's glad
His darkness has turned to light.

Virginia Duncan



The Hamlin High School annual staff is proud to dedicate this page to an outstanding young man, Todd Reynolds. Todd was killed in a tragic automobile accident on May 14, 1981. He was active in FFA, band, football, and church work. Todd loved life, and his friends and family loved him. Hamlin High School will dearly miss him.

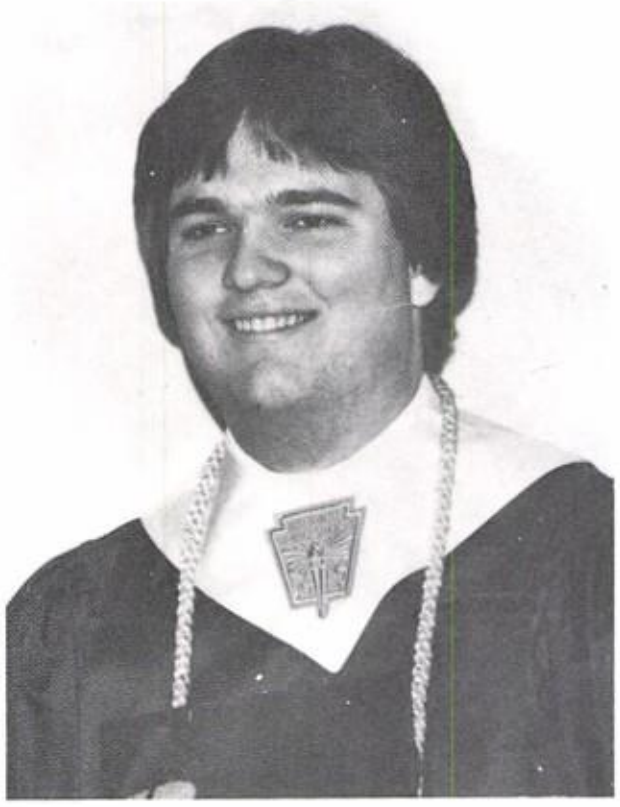
Piper Song

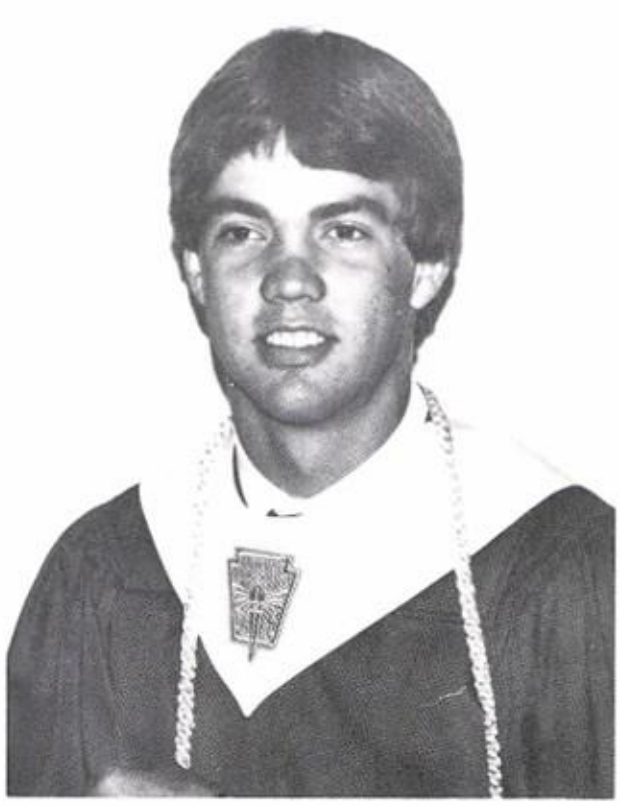
Pied Pipers calling you and me To do our very best. Just see how high our students fly; They're far above the rest. Our banners call for truth and right, And never to retreat; Lift high our colors green and white; They never know defeat. So here we go, a loyal band, With courage and strength we stand. Pied Pipers, we will follow you Through victory or defeat, To Hamlin High we will be true, When foes and friends we meet!

A MEMORABLE GRADUATION

Highest Ranking and Honor Graduates



Mark Young
Valedictorian



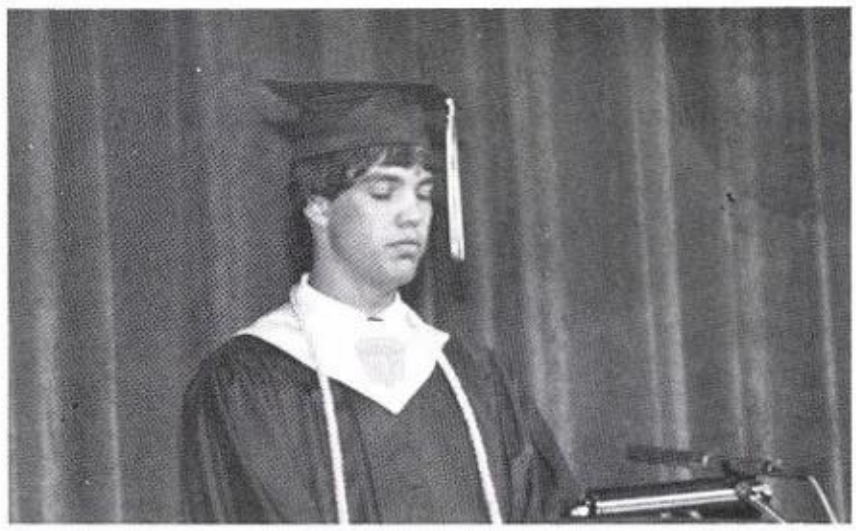
Mike Davis
Salutatorian

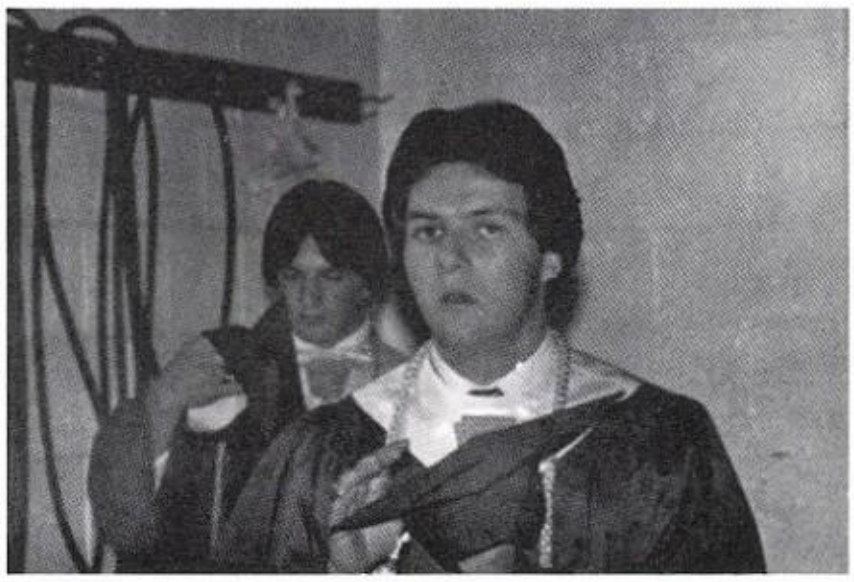
Arlieta Thomas
Highest Ranking Girl

Hamlin High School graduated ten honor graduates in 1981. They were: Lorna Jeffrey, Melissa Kiser, Arlieta Thomas, Kathy Prewit, LaEtta Scifres, Susan Benningfield, Scott Lamphere, Mark Young, Mike Davis, and Travis Lain.

COMMENCEMENT

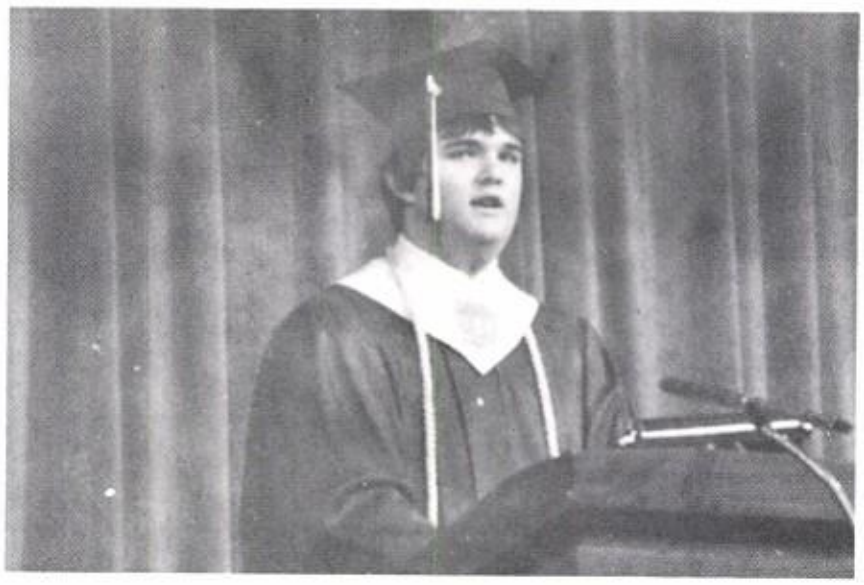
Mike Davis, Salutatorian, gave the welcome. "Thousands of years ago, God welcomed man into the new world He had created . . . As God welcomed man, so our parents welcomed us into a world that would prove to be a challenge to us as well . . . And only a short twelve years ago, we were welcomed into a school system where our desire for learning could begin to be satisfied . . . Now it is our turn to welcome you—family, faculty, and friends—to this celebration . . . "



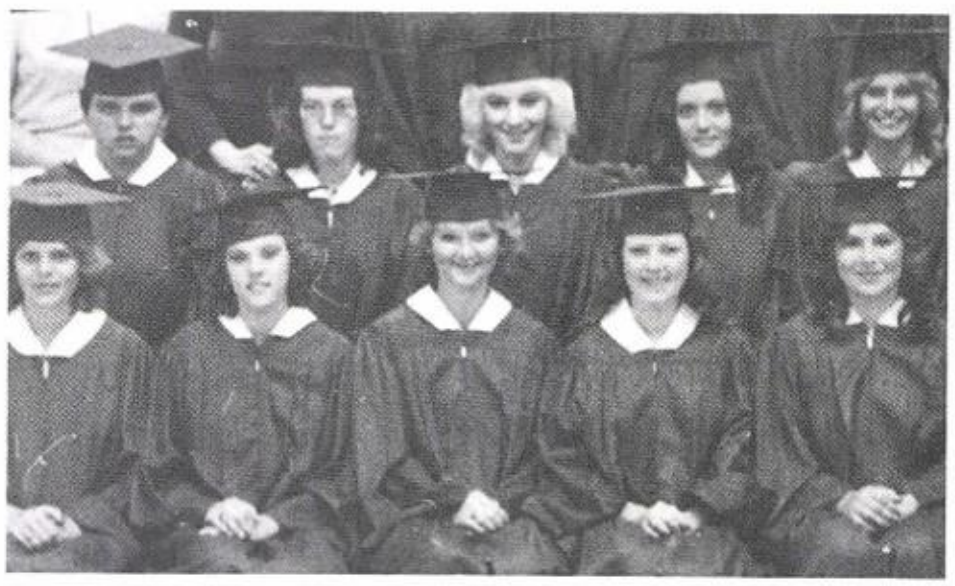


PROGRAM

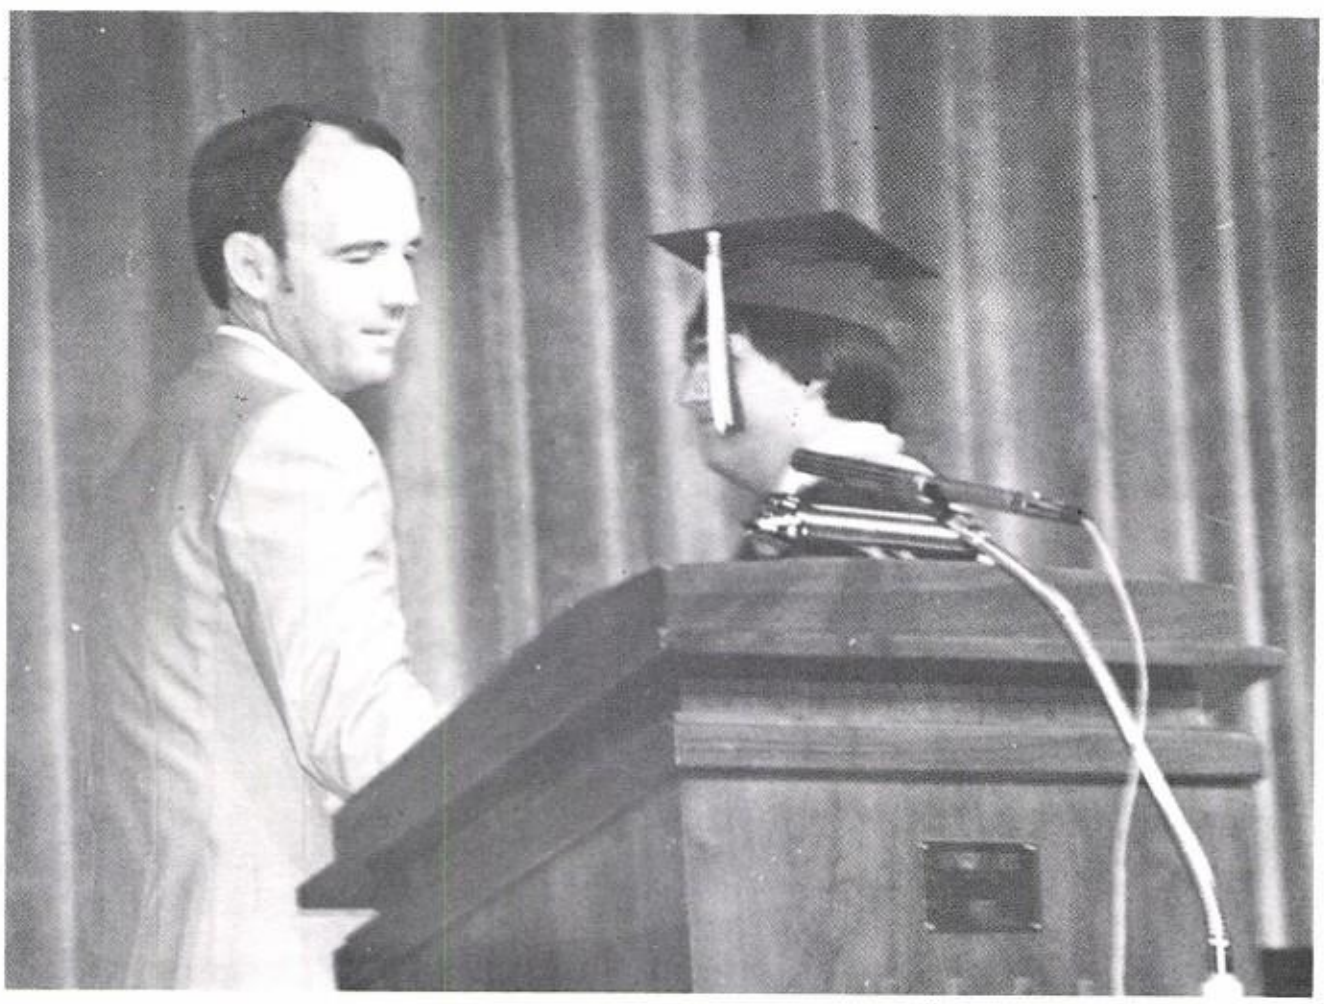
Invocation	Arlieta Thomas
Pledge of Allegiance	Susan Benningfield
Scripture	Lorna Jeffrey
Reading	Melissa Kiser
Welcome	Mike Davis
Intro. of Speaker	Travis Lain
Speaker	Willard Tate
Class Gift	Kathy Prewit
Farewell	Mark Young
Benediction	LaEtta Scifres
Piper Song	Scott Lamphere



Mark Young, Valedictorian, gave the farewell. " . . . This is the very last time that we will all be together . . . For we have now walked across this stage and joined a huge dedicated group of former students and Piper fans . . . When I think of all of our successes and all of our failures. I am reminded of a phrase by John Gray. 'What could be more important in life than to know in our hearts that in everything we have tried to do, we have done our very best.' . . . I am proud to be Valedictorian of this class, not because of personal honor or gain, but because I love each student and realize that each is an outstanding and special individual in his/her own way . . . It is my fervent hope and prayer that when my short life is over that I may see all of these 54 Pied Pipers in Heaven.



The Class of 1981 enjoyed a busy, but wonderful graduation. On Sunday, May 24, the Hamlin Ministerial Alliance conducted the first Baccalaureate service held in years. The week climaxed on Friday, May 29, when 54 seniors received their diplomas.



Dr. Paul Whitton, Jr. awards the first James E. Harrison Valedictorian Scholarship to Mark Young. The scholarship is sponsored by the family of the late Dr. Harrison and is in the amount of $1,000. It is to be used for the purchase of textbooks and other materials.

SCHOLARSHIPS AWARDED

Mark Young—Carr Academic Scholarship, Dr. James E. Harrison Memorial Scholarship, Rotary Club Scholarship, State of Texas Scholarship, Rotary Club Scholarship, State of Texas Valedictorian Tuition Exemption.

Mike Davis—Texas Council of Church Related Colleges Salutatorian Scholarship

Scott Lamphere—Carr Academic Scholarship

Travis Lain—Carr Academic Scholarship

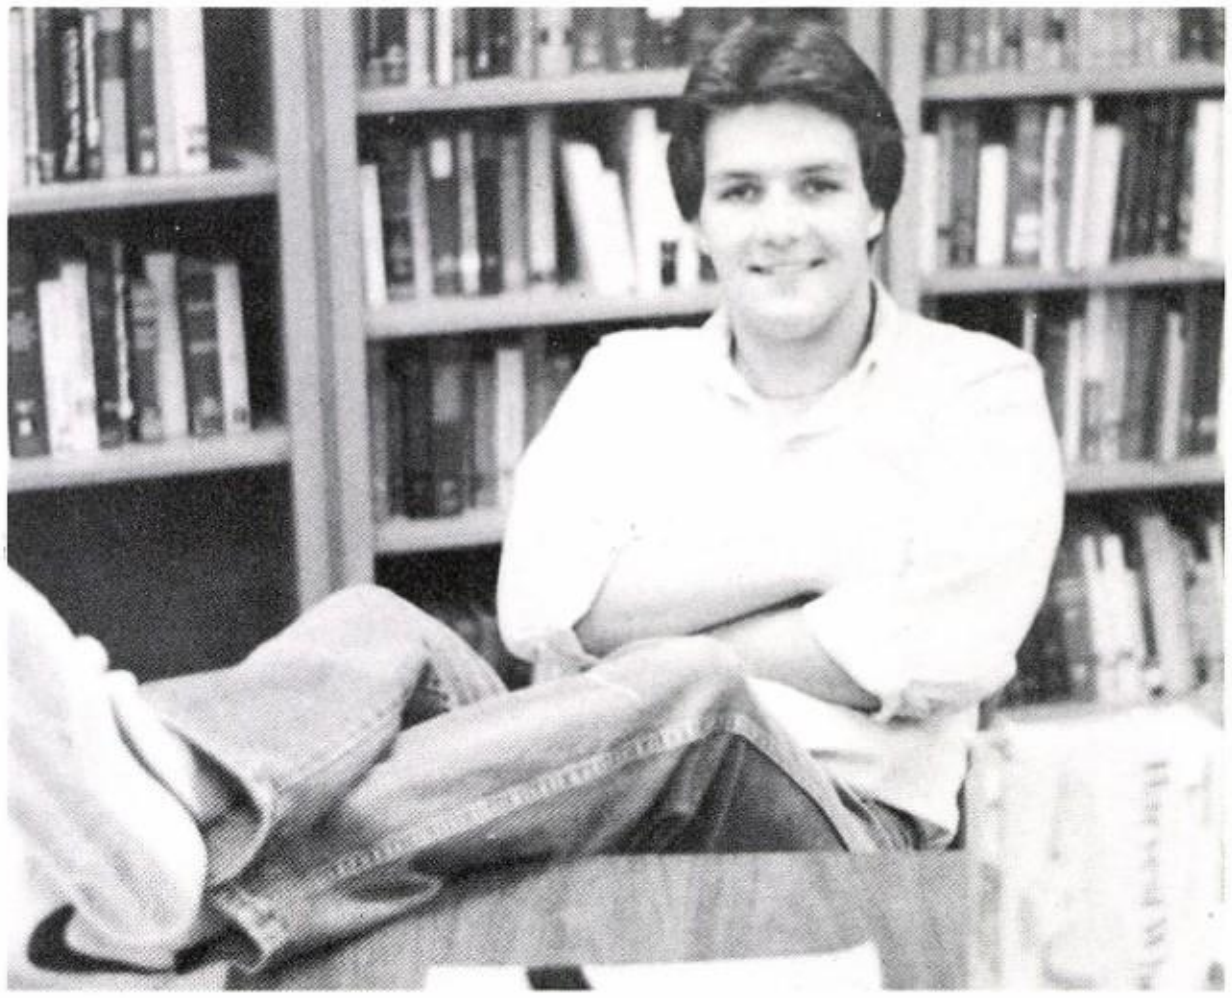
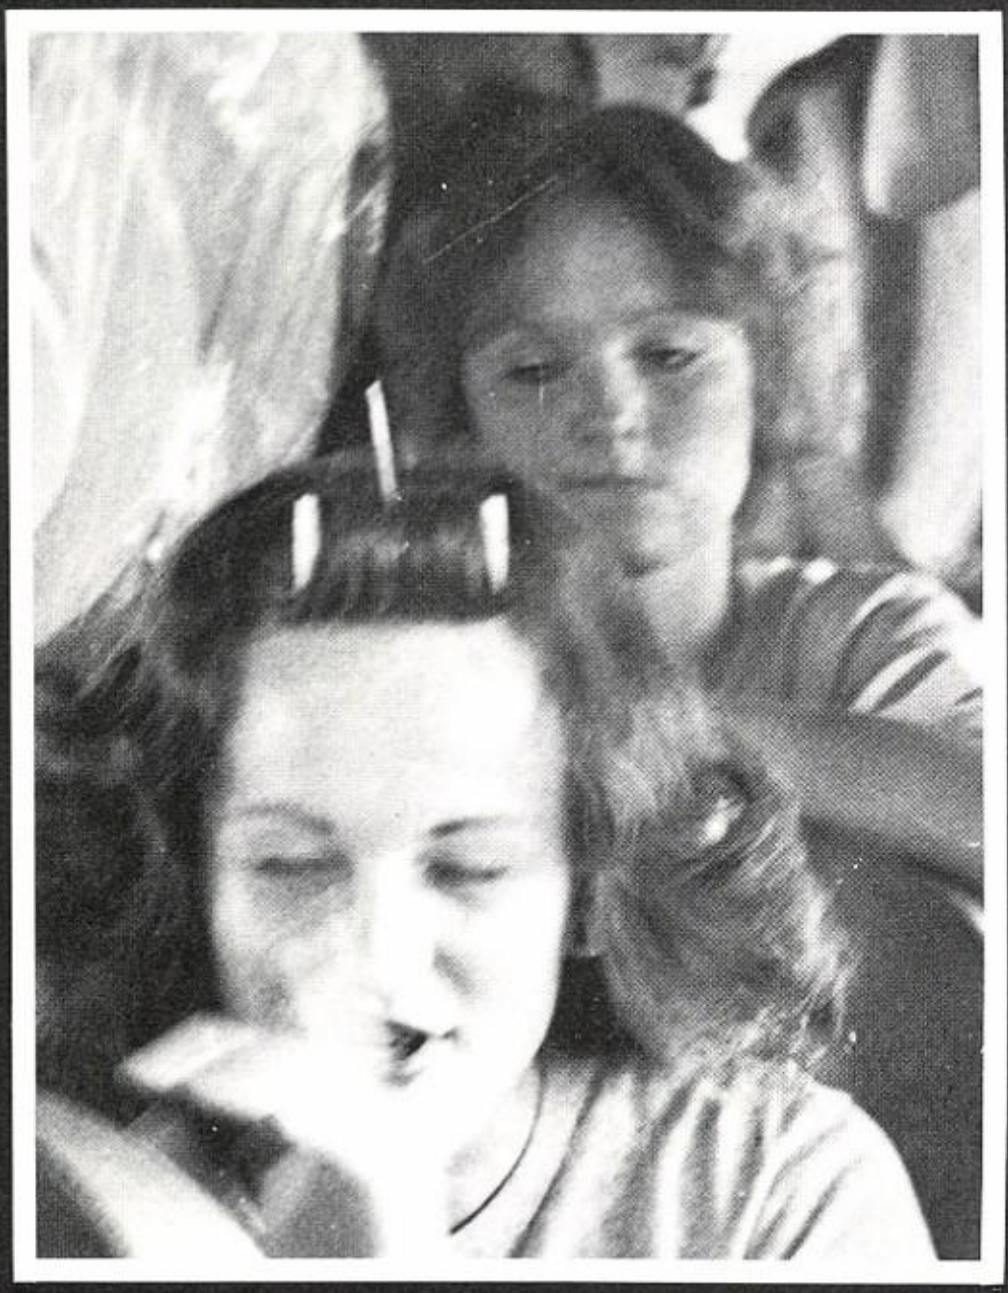
. . . a word from the editor . . .

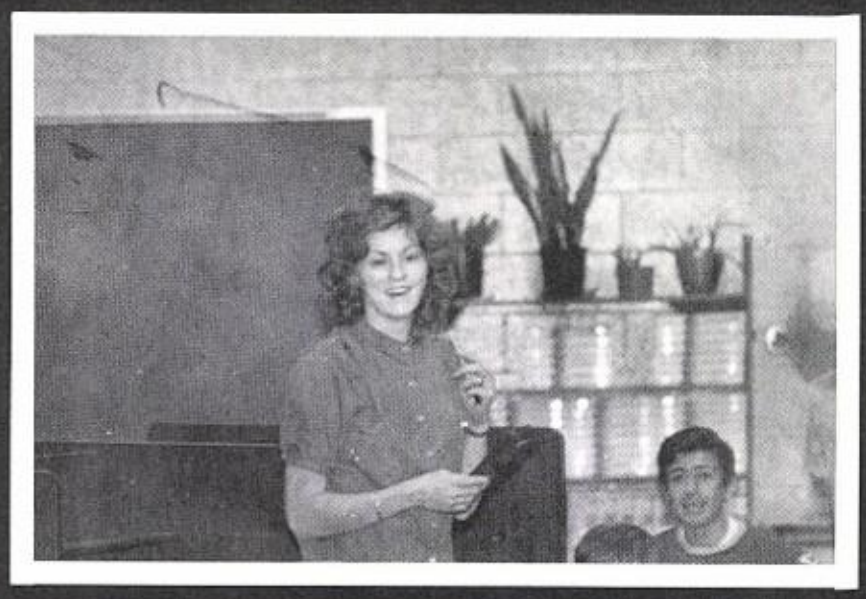


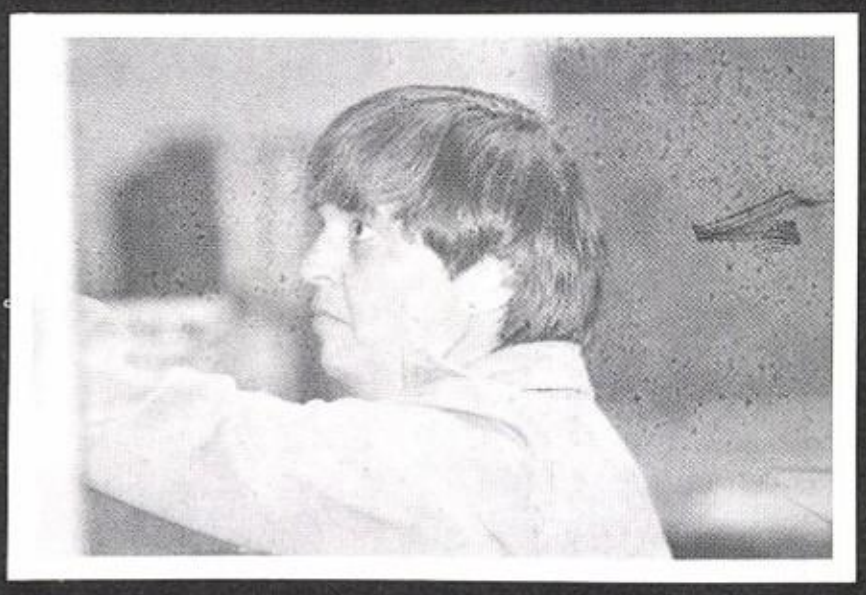
If this year could be made into a movie, it would definitely win an "Oscar." As you turn through the pages of this book, I hope the accomplishments, expectations, and all the other events of this year have been faithfully portrayed. It was my dream to make the 1981 Piper the best ever. Thanks to a dedicated and hard-working annual staff, we have put a year of success, heartache, friendships, victory and learning into an annual like no other.

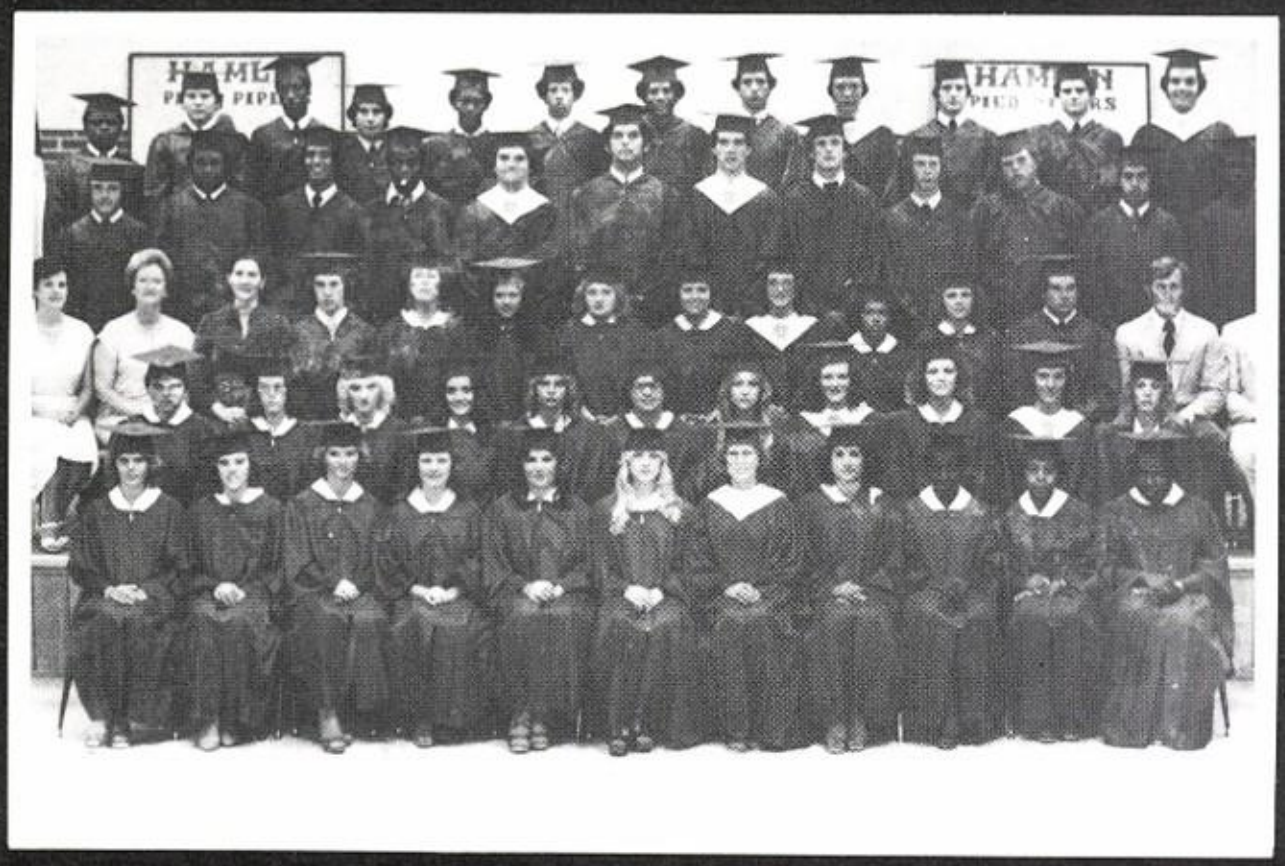
I wish all of you the best of luck in the future. Thank-you for allowing me to share in the many rare and wonderful moments of the last four years.

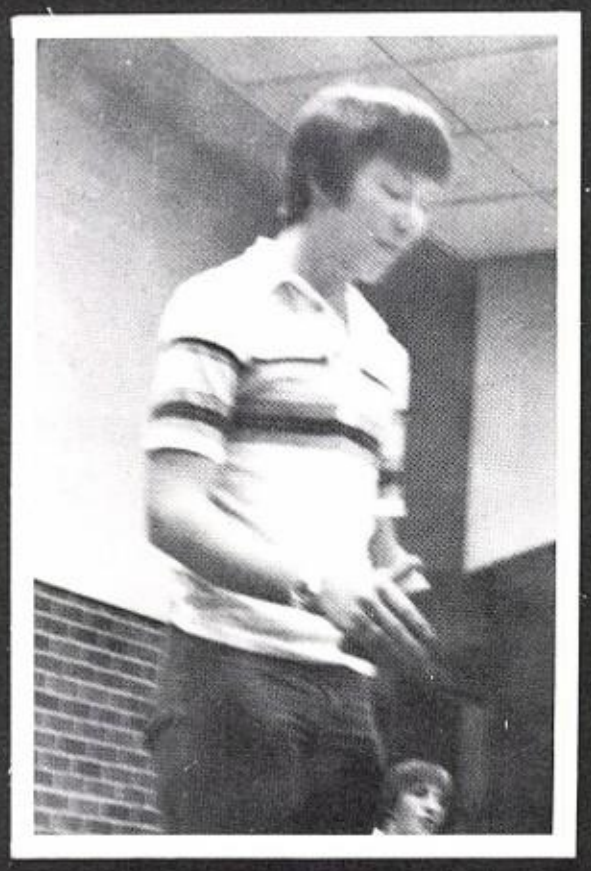
Your Editor,
Scott Lanphere

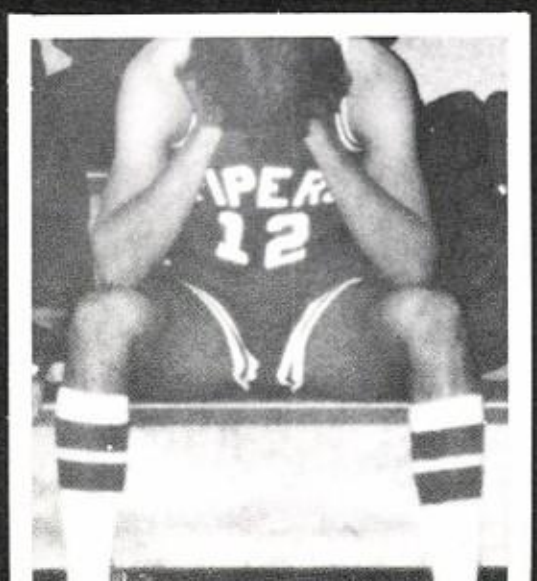


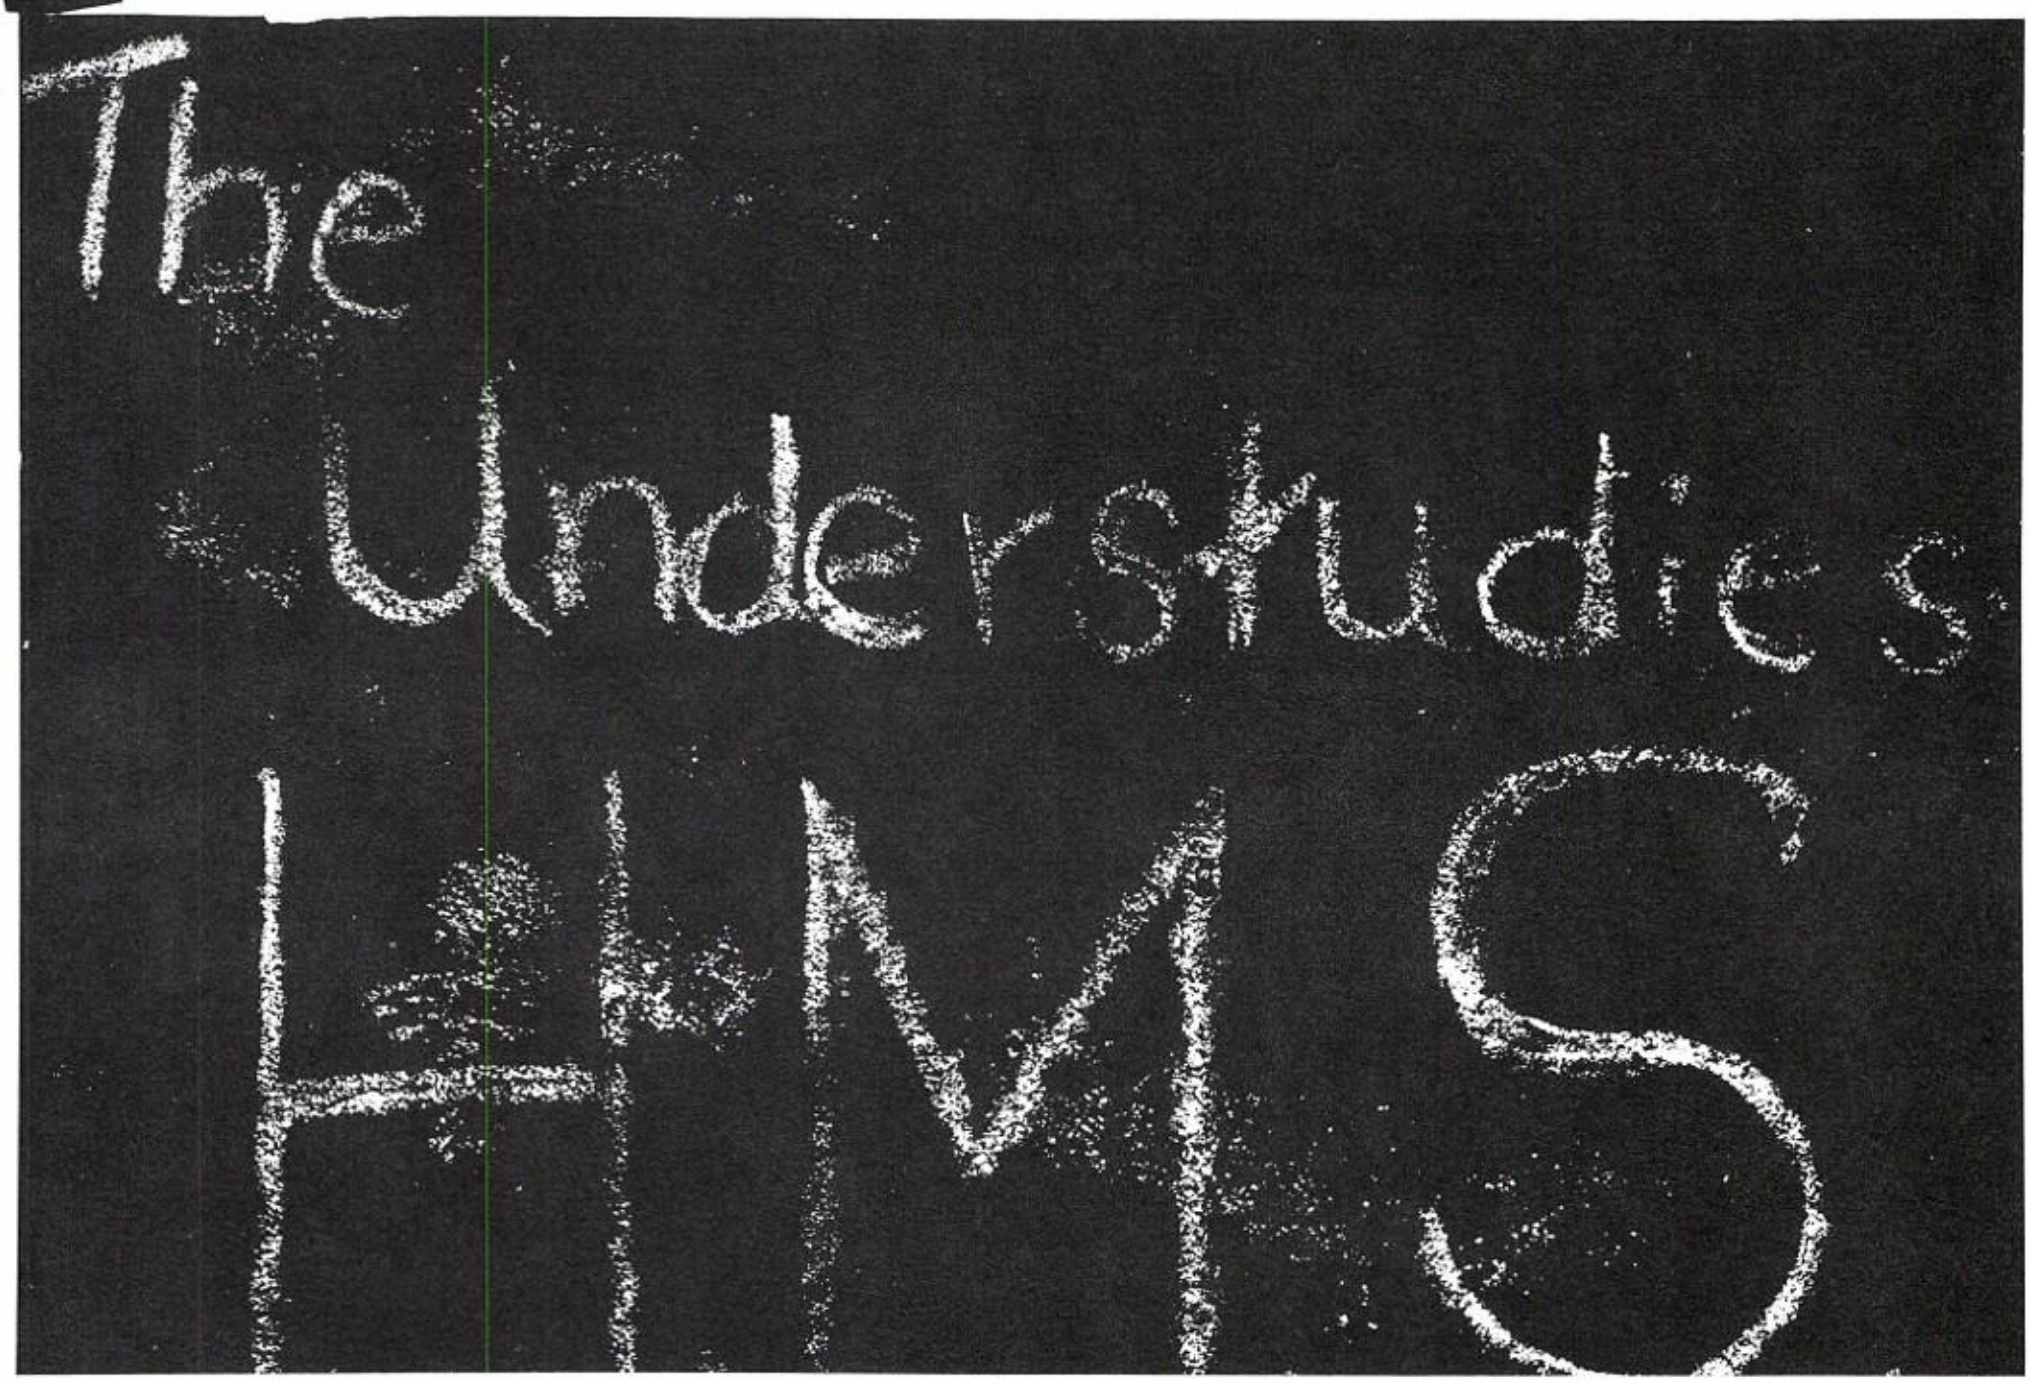












Hamlin Middle School

The 1981 PIPER would like to welcome H.M.S. to this year's publication. Due to the high cost of producing an annual, the administration asked us to include the middle school in the PIPER. We appreciate the cooperation and work the people at H.M.S. have given us to make the annual such a success.

WHAT WOULD HMS BE WITHOUT MRS. GRISSOM?

HMS wouldn't be much without Mrs. Grissom. Who else sits at a desk and puts up with monstrous students barging into the office with their demands? And what about the scatterbrained high school Annual Staff? Who else would be willing to keep this office together? Thanks, Mrs. Grissom!
